SCHOLARSHIP APPLICATION

Acceptance to our school is not based on a family's financial status. The Upper Falls Nursery School has scholarship funding set aside for financial assistance to eligible families who wish to enroll their child. All requests will be carefully evaluated and partial scholarships will be given according to the merits of the financial situation and needs of the child. The criteria for receiving scholarship aid remain flexible, taking into account the number of applicants, the amount of available money and specific needs of the families who apply. All information will be kept strictly confidential. It is also requested that if a scholarship is granted to any family, the amount awarded be kept confidential. We need proof that your income is within the guidelines set below. Please provide the following information so that all applications can be considered equally.

- 1) Copies of the last four (4) most recent pay stubs from ALL income-earning family members, and/or proof of participation in welfare or other programs with strict guidelines.
- 2) A copy of your most current federal income tax return.
